SUBJECT: MONGOLIAN IMPLEMENTATION OF UNSCR 1718 -- SHIPS
ORDERED TO COMPLY WITH SEARCHES

REF: STATE 188039

Sensitive but unclassified -- not for Internet distribution.

11. (SBU) MFA Director for Multilateral Relations Enkhtsetseg told E/P chief on November 20 that she expects Mongolia will have its report to the UN Security Council on implementation of UNSCR 1718 ready sometime during the week of November 27. She said that MFA has asked various ministries and agencies to provide information to it on implementation, and that it has begun to receive responses. She undertook to provide the embassy a copy of the report when it is ready.

12. (SBU) Ms. Enkhtsetseg stated that on October 25 the Director of the Mongolian ship registry sent a directive to all Mongolian flagged vessels ordering them to comply voluntarily with any search done under UNSCR 1718, and providing a copy of the resolution. The order states that Mongolian flagged vessels should not ordinarily carry cargo to/from North Korea.
